- Resurfacing of 14th Street from Mays Landing Road to the Hammonton Municipal Boundary;
- Resurfacing of 15th Street from Mays Landing Road to Backline Road;
- Resurfacing of Backline Road from 15th Street to Memory Lane.

We have received a review letter from the NJDOT. The comments are minor in nature and have been addressed.

However, the project continues to be reviewed by the NJDOT Structural and Railroad Engineering Services department. We have not received any comments from them at this time. As such, we do not have authorization to bid the project.

FY 2018 COMMUNITY DEVELOPMENT BLOCK GRANT (CDBG) PROGRAM

The Borough wishes to proceed with the application as submitted in 2017. This project includes the installation of Senior and ADA compliant exercise equipment at Penny Pot Park. Based on the amount of funding available from the CDBG program, we are adding an additional one to two pieces of exercise equipment to the proposal. We are currently finalizing on the construction documents and will be working with the Atlantic County Improvement Authority to ensure compliance with their program and authorization to bid the project. On November 5, 2018, our office met with Councilman Arena, John LaPollo, and Ron Esposito to discuss the inclusion of the recently acquired exercise equipment into the project. We made revisions to the plans and specs accordingly. There was a good question posed at the last council meeting regarding the impacts of a concrete pad to the Borough's liability insurance. A response was received from the Risk Control Consultant. We will review his comments and revised the specifications accordingly. We anticipate submitting the final package to the ACIA within the next week. We note that we still need obtain final approval from Atlantic County in order to bid the project.

NJDOT FY 2019 Municipal Aid Program

Applications were due on October 8, 2018 for the NJDOT FY2019 Municipal Aid Program. Our office has prepared and submitted an application for the resurfacing of the remainder of Backline Road, from Memory Lane to 13th Street. The application requested \$488,856.37. We anticipate a response from the NJDOT in early spring of 2019.

NJDOT FY 2019 TRANSPORTATION ALTERNATIVES GRANT PROGRAM

Our office completed and submitted an application for the NJDOT FY2019 Grant Program, to construct improvements to the 13th Street Park and Community Garden, and a bike path along 13th Street to the Borough owned property to the south. The application requested \$455,592.50. A copy of the application has been sent to the Clerk via email. We anticipate receiving a response in the next few months.

RESURFACING OF NJDOT ROUTE 54 PROJECT

The NJDOT is planning on resurfacing Route 54, from Route 40 in Buena Borough to Route 30 in Hammonton. I attended a local officials meeting on November 14, where the project was reviewed with representatives from the four affected municipalities. The majority of Route 54 within the Borough's boundary is excluded from this project. A separate memorandum has been prepared and appended to this report for your review. I addressed the Borough's concerns with Route 54. A second meeting is currently being scheduled at the Borough Hall.
