APPROVAL OF THE MINUTES FROM June 8, 2016

A motion to approve the minutes was made by Councilman Arena and seconded by Councilwoman Veneziani

Council President Pagano had a question regarding Resolution #2016-66. Council President Pagano stated that the original Resolution #2016-66 was not a denial resolution.

Clerk Gatto stated that we had to do a denial resolution because Council did not approve the transfer of Collings Lakes Food Market so a denial resolution was sent to the Attorney Scott Silver for appeal.

Mayor and Council decided to table the minutes until next meeting so the original #2016-66 can be added to the June minutes Council President Pagano also questioned the audio system. He stated that it is not working properly and we need to have it looked at. Clerk Gatto explained why sometimes listed on the minutes is the word “inaudible”. Clerk Gatto stated that they are times when someone from the audience speaks out and can’t be heard properly or there are times when Council speaks over top of one another and you can make out what is being said. Council President Pagano suggested that we let the attorney look at it. Councilwoman Veneziani rescinded her motion to approve.

Mayor DeStefano asked for a motion from Council to appoint Councilman Jantz and Council President Pagano for the land sale sub-committee.

A motion was made by Councilman Smith and seconded by Councilman Arena

There was a roll call vote with ayes all.

Council President Pagano asked Attorney Facenda that if he is on this land sale committee and he wishes to purchase land would that bar him from purchasing Borough owned property. Attorney Facenda stated you would certainly have to recuse yourself from that committee and not partake in any votes to sell the land and if you think that is a possibility you may not want to accept that nomination and decline it from the onset. Council President Pagano then declined the appointment to the land sale committee. Kris Facenda went on to say that if your wife or any family member wanted to purchase land through a city process the cleanest and most transparent way is to recuse yourself.

That motion was rescinded.
